### Anchor Voyager, 50 watt, battery powered systems \*\*†

Voyager w/ wired mic	\$40.00
Voyager w/ wireless mic	\$55.00
Voyager w/ wireless mic, companion speaker	\$75.00

### Sound Projections, Sound Machine, 100 Watt, bi-amplified system w/ CD player \*\*†

Sound Machine w/ wired mic	\$80.00
Sound Machine w/ hand held wireless mic	\$95.00
Sound Machine w/ wired mic, companion speaker,	\$100.00
Sound Machine w/ hand held wireless mic, companion speaker	\$115.00

# Section II- Self Contained Systems

## Peavo Solo System †

10 watts self-powered speaker w/ wired mic and carry bag.	\$15.00
---	---------

## Yamaha Stage Pass System †

12 input stereo powered mixer with dual 150 watt amplifiers, a handheld mic, two 8" 2-way speakers, and rolling carry bag.	\$50.00
--	---------

# Section III- General Purpose System Packages

## PA System 1

This is a general purpose system based around our "Small Rally Systems."

The system includes: A Yamaha EMX 312 powered mixer, 2 Yamaha SM112 IV 12" 2-way speakers with tripods and 50' speaker cables, a dynamic microphone with a 25' cable and stand.	\$100.00
---	----------

## PA System 2

This is a general purpose system based around our "Small Rally Systems."

The system includes: A Yamaha EMX 312 powered mixer, 2 Yamaha SM115 IV 15" 2-way speakers with tripods and 50' speaker cables, a dynamic microphone with a 25' cable and stand.	\$150.00
---	----------

# System IV- Sports System Packages

## Porta- Vox, Battery Powered Sports System †

Porta Vox self- contained system w/ two horns and a mic. \$50.00

## Bam Battery Sports System †

Battery Amplifier w/ two horns \$75.00  
Up to two additional 16 ohm horn may be added. \$25.00 each

## EV Horn System †

Four EV FC100 60 watt 70 volt horns, one 120 watt  
70 volt mixer amplifier and microphone. \$150.00

## R.5 Outdoor System †

Four Community R.5 Speakers, a 4 channel mixer, system processor, power amplifier, CD/ cassette player, and microphone. \$350.00

# Section V- Bose Premium Systems

## Bose 402 System †

Peavy 600e powered mixer with Bose processor, \$125.00  
2 Bose 402 Panaray Speakers and microphone.

## Bose 802 System †

Peavy 600e powered mixer with Bose processor, \$150.00  
2 Bose 802 Panaray Speakers and microphone.

## Bose 402 Rack System †

This premium general purpose system uses Bose Pro loudspeakers and includes:  
1 Rolling Rack top mounted Yamaha MG 16/4 mixing console  
1 Symetrix 533E stereo 31 band equalizer  
1 Bose Panaray Speaker Controller \$250.00  
1 Teac AD500 CD/ cassette player  
1 Yamaha P5000s power amplifier  
4 Dynamic Microphones  
4 Bose 402 Panaray speakers

## Bose 802 Rack System

Same as above except for loudspeakers \$300.00  
4 802-III Panaray speakers

Rack System shown with Bose 802

## Bose Modular Line Array System \*\*\*

A very high quality multi media playback system  
Same as above except for loudspeakers \$350.00  
2 Bose MA12 speakers  
2 Bose MA4 bass modules

## Bose Premium Systems cont...

### Bose LT Rack System\*\*\*

A very high quality, high output voice and music system.

Same as above except for loudspeakers:

2 Bose LT 9403 very high output professional speakers

2 Versalift speaker towers

2 Bose digital system controllers

\$400.00

## Section VI- Specialty Systems

## Section IX- Vintage Gear/ Stage & Movie Props

Call for prices and availability on our inventory of vintage gear.  
Insurance for full replacement required

## The Fine Print

Associated Sound recommends that the person that will be setting up and operating the equipment be the same person that is picking up or taking delivery of the system from us.

Associated Sound is **not responsible for battery life** .

\*Wireless microphones, assistive listening systems and some hand held PA Systems use throw-away batteries. Associated Sound as a courtesy provides the first set of batteries, however we **do not guarantee** the performance of those batteries. The lessee is responsible for and is advised to have spare batteries.

\*\*Some PA systems use internal rechargeable batteries.. Associated Sound only guarantees that these systems ship with a full charge. Length of service can't be guaranteed as volume and type program content can vary the length of use between charges.

\*\*\*Some of the equipment in our rental inventory requires qualified personnel to transport, setup and operate. Associated Sound reserves the right, at its sole discretion, to refuse to rent the equipment to persons and organizations that it feels are not qualified to safely transport, setup and operate the equipment.

† Cables and stands included

**Rentals require security deposits for the equipment being rented.** Regular clients may provide a certificate of insurance in lieu of a deposit. Call for details and requirements.

Rentees are responsible for returning the rented equipment back to Associated Sound in the same condition as when it was picked up from our shop or delivered to your location. The lessee is responsible for checking the equipment when they take possession of it and to familiarize themselves with the operation of the system. The lessee has the complete responsibility for the care, operation and custody of the equipment while in their possession. In the event that equipment is lost or damaged the lessee is responsible for the repair or replacement of the equipment plus the loss of rental revenue while the equipment is out of service due to repair or replacement. A cleaning/repacking fee may be charged for equipment that is returned dirty or cables that are uncoiled and messy. That fee is an hourly fee of \$55.00 per hour.
